## **One-Day Deconstructing and Rebuilding the Two Language Arts Training**

**Hosted by Andrews ISD, Andrews, Texas**  
**January 19, 2026**  
**8:30-3:30**

This one-day interactive training guides teachers through a deep analysis of the Language Arts standards to strengthen bilingual instruction in **grades 2–5 (6<sup>th</sup> if applicable)**.

Participants will deconstruct, review, and color-code each standard to clearly identify which skills and competencies will be taught in English and which will be taught in Spanish.

Through hands-on collaboration and guided reflection, teachers will rebuild a balanced, intentional Two-Language Arts framework that aligns with their dual-language program goals, supports biliteracy development, and ensures equitable access to academic language in both languages.
