One-Day Exemplary Best Practices Training

Hosted by Andrews ISD, Andrews, Tx

August 7, 2026

8:30-3:30

The One-Day session focuses on **research-based**, high-impact instructional strategies, "**29 Best Teaching and Learning Practices**" embedded within the academically successful dual language programs.

While rooted in dual language education, these practices are universally effective and highly applicable to general education settings where English is the sole language of instruction.

This training is especially beneficial for:

- General Education teachers seeking to enhance instructional rigor, student engagement, and language development

Participants will walk away with practical strategies they can immediately apply in their classrooms to support academic success and promote equitable instruction for all learners.
